

Disclaimer

The white paper does not authorize an offer or solicitation to sell shares or securities. It does not constitute or form part of and should not be interpreted as an offer for sale or subscription or any offer to purchase or subscribe for any securities, nor should it constitute any part of it form the basis of or be relied upon in any connection with any contract or commitment, guarantee, or promise by iOlyWorld or individuals or any organizations whatsoever.

The iOlyWorld expressly disclaims all responsibility for any direct or consequential loss or damage of any kind whatsoever arising directly or indirectly from reliance on any information contained in the white paper, any error, omission, or inaccuracy in any such data or any action resulting from there. iOlyWorld information has been prepared all herein from sources we believe to be truthful and reliable. However, such information is presented "as is," without guarantee – whether expressed or implied.

The White paper information is subject to change and will be updated, and should not be interpreted as a promise, commitment, or guarantee by The iOlyWorld or any other person or firm, or institution mentioned in this white paper relating to the future availability of services related to the use of the metaverse, NFT, tokens or to their future performance or value.

The white paper is not a proposal to buy or financial advice; it is strictly informative. Do not trade or invest in any metaverse, NFT, tokens, companies, or entities based solely upon this information. Any investment involves substantial risks, including, but not limited too, pricing volatility, inadequate liquidity, and the potential complete loss of principal. Investors should conduct independent due diligence, with assistance from professional

financial, legal and C.P.A. tax experts, on topics discussed in this document and develop a stand-alone judgment of the relevant markets before making any investment decision.

All market prices, data, and other information are not warranted as to completeness or accuracy, are based upon selected public market data, reflect prevailing conditions, and our view as of this date, all of which are subject to change without notice. None of these graphs, charts, or visual aids can be used to make investment decisions. Graphs charts are provided for informational purposes only.

The information contained in this document may include or incorporate forward- looking statements, including any ideas that are not statements of historical fact.

No representation is made that these will assist any individual in making investment decisions. No graph, chart, or other visual aid can capture all factors and variables required to make such decisions. This document's projections, forecasts, and estimates are speculative and based upon certain assumptions.

No representations or warranties are made regarding the accuracy of such forward- looking statements. It can be expected that some or all such forward-looking assumptions will not materialize or will vary significantly from actual results. These forward-looking statements may be wrong and can be affected by inaccurate assumptions or by known or unknown risks, uncertainties, and other factors, most of which are beyond control.
